CLASSES VI - X

Dear Parent

Today's children are growing up in a rapidly changing world characterised by dramatic shifts in all walks of life. The school's endeavour is to create an environment that allows them to keep abreast with the changed scenario and make them efficient to move further accordingly.

Man is born and bound to succeed. So, one should stride ahead even if the way forward is tough and hard to tread along. Nothing shall hinder one from marching ahead. If one thinks one can... then definitely one can. All we need to do is to discover ourselves, unleash the potential within us and soar high. In Martin Luther King's words-

**"If you can't fly, then run
If you can't run, then walk
If you can't walk, then crawl
But whatever you do... you have to
Keep moving forward "**

This edition of newsletter encloses our small attempts to keep moving forward.
