## NEWSLETTER CLASSES- VIII MONTH- APRIL- MAY 2018-19

We, at Mount Abu Public School believes that our mission can be achieved through a focused and determined planning for an integrated approach to education with a pursuit of excellence in academic knowledge, skills and behaviour that will develop moral, physical, social and aesthetic aspects of each child up to his inherent potential, which will lead to a mind set for excellence to emerge as young leaders in their respective fields and face the world with inner confidence and integrity. Class VII has shown an incredible performance and great hard work throughout the session 2017-18. Their commendable contribution deserves applause and due recognition. Flip through the following pages and witness the virtual journey of success of class VII and how the new academic year bring hope for them.

### Investiture Ceremony 2018...

On 10<sup>th</sup> May, the school appointed students cabinet for the session 2018-19 for middle school. The investiture ceremony commenced with the march past, post which cabinet members were decorated with badges and sachets for their respective posts. Hon'ble principal ma'am, Mrs. Jyoti Arora, in her speech reminded students of their responsibilities towards the school and society as a whole. The young students were told that how, future of a prosperous nation lies on their shoulder, and such small endeavours would act as a stepping stone for their journey ahead.

### Interaction with the Minister for State of External Affairs Sh V.K. Singh

The students of the school got a rare opportunity to interact with Shings. The highly enriching session fostered among the students a spirit to positivity and desire to excel in every task undertaken. V.K Singh, Minister for State of External Affairs. Mr. Singh guided the students about the fact that hard work and dedicated efforts pay but what matters the most is the courtesy towards small.

### Orientation Programme

**MOUNT ABU PUBLIC SCHOOL** has organized an Orientation Day Programme on **21st April' 2018** for the **Classes VI- VIII**. During this programme, parents were enlightened with a movie based on healthy communication followed by a session taken by the school counsellor on measures of effective parenting. All minute details regarding the school, its insight, evaluation & assessment system were provided to the parents. They were also given the information about school rules & regulation, guidelines, transport details and school library rules. They were even updated with ongoing school initiatives like blogs, snap homework app, competitions, Olympiads, clubs etc. for the holistic development of the students. It was an informative session for the parents

### Foundation Day 2018

The school celebrated its **Foundation Day on 13 April 2018** highlighting the successful **completion of 20 years of its Excellence in Education**. The celebration that witnessed the presence of Honourable Managing Director Shri Bharat Arora, commenced with the lighting of lamp and Hawan ceremony followed by the cultural presentations and speech by the young MAPIANS. The Principal addressed the gathering and congratulated all the members of the school for the diverse achievements of the school since its inception in the year 1998 and blessed them for the future endeavours. The programme also witnessed the token of appreciation and recognition for those associated with the school since the day of its establishment. The celebration concluded with the vote of thanks by the coordinator.

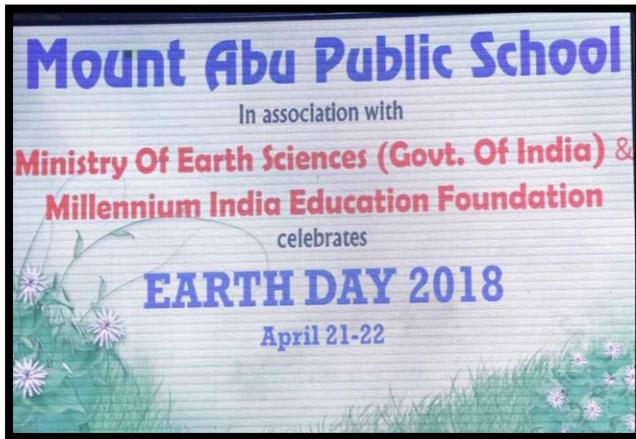

### Fire Mock Drill...

**MOCK FIRE AND EVAQUATION** involving students and fire fighters was conducted at Mount Abu Public School on **18/04/2018, Wednesday** to create awareness among the student community of firefighting techniques and the ways to respond swiftly in times of such emergency situation. Fire Safety officers from Fire Station Rohini organized this mock drill for our students. They explained and demonstrated various improvised methods being followed by them to rescue and evacuate people caught in such emergency situation besides explaining the ways to operate the fire extinguishers safely. Water cannon was used to demonstrate the extinguishing the fire with water guns. The children were guided to adhere to the evacuation time and take safety measures seriously

### EARTH DAY CELEBRATION- 21ST APRIL 2018

The school celebrated **WORLD EARTH DAY** on 21st April 2018 on the theme “**GO-GREEN, GO CLEAN**” in association with various eminent institutions and educationists. A series of competitions like Fancy Dress, Slogan Writing, Poem enactment and Painting Competiton were held.

### CLASSROOM BULLETIN BOARD DECORATION

The most beautiful corner of the class is Bulletin board, It shows the innovation and creativity of students. Students of class VIII prepared beautiful board with their hand work.

### Newsletter making activity by students to mark the celebration of English Week.

The school organised newsletter making activity for the students of class VIII, to mark the celebration of English Week. It was an inter-class competition where students in each class were divided in groups of 5 each.

The newsletters comprised events and accomplishments of the school during recent months. The activity aimed to enhance creative writing skills and ability to work in groups among students. From each section, top two entries were selected and felicitated.

Students displayed great enthusiasm and worked with utmost sincerity during the activity.

The school plans to organise more such events for the students, to enhance their knowledge and contribute to their holistic development in an amusing manner.

## NATIONAL TECHNOLOGY DAY

India is turning digitalised day by day and therefore the need to aware kids about technological changes become important. The school celebrated National Technological Day on 11th May 2018 by watching an awareness video .

## SOCIAL SCIENCE WEEK (14TH MAY 2018-18TH MAY 2018 )

### (I/C PPT MAKING, MOCK GLOBAL VILLAGE )

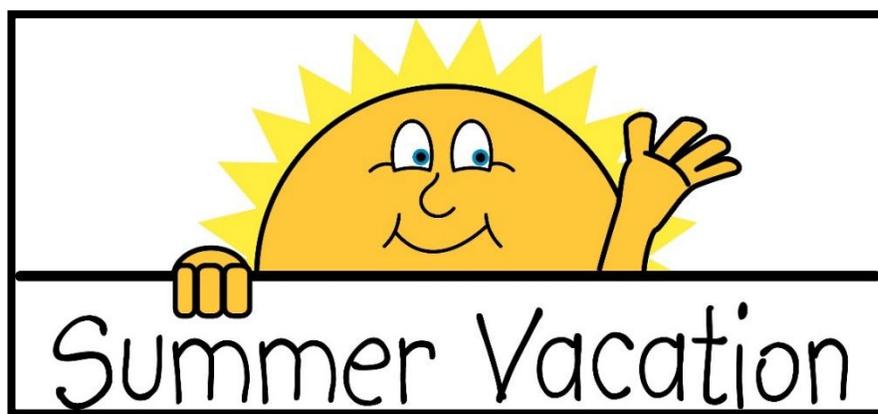

Human beings are social animals and to socialise is prime to it, thereby the school organised social science week with a set of various activities for class viii one of which includes I/C-PowerPoint presentation making. the theme for the week was: knowing the diverse culture wherein research work on international diversity was undertaken by kids , majorly hitting the countries like –Singapore, Malaysia, India and Thailand. Moreover, the kids also

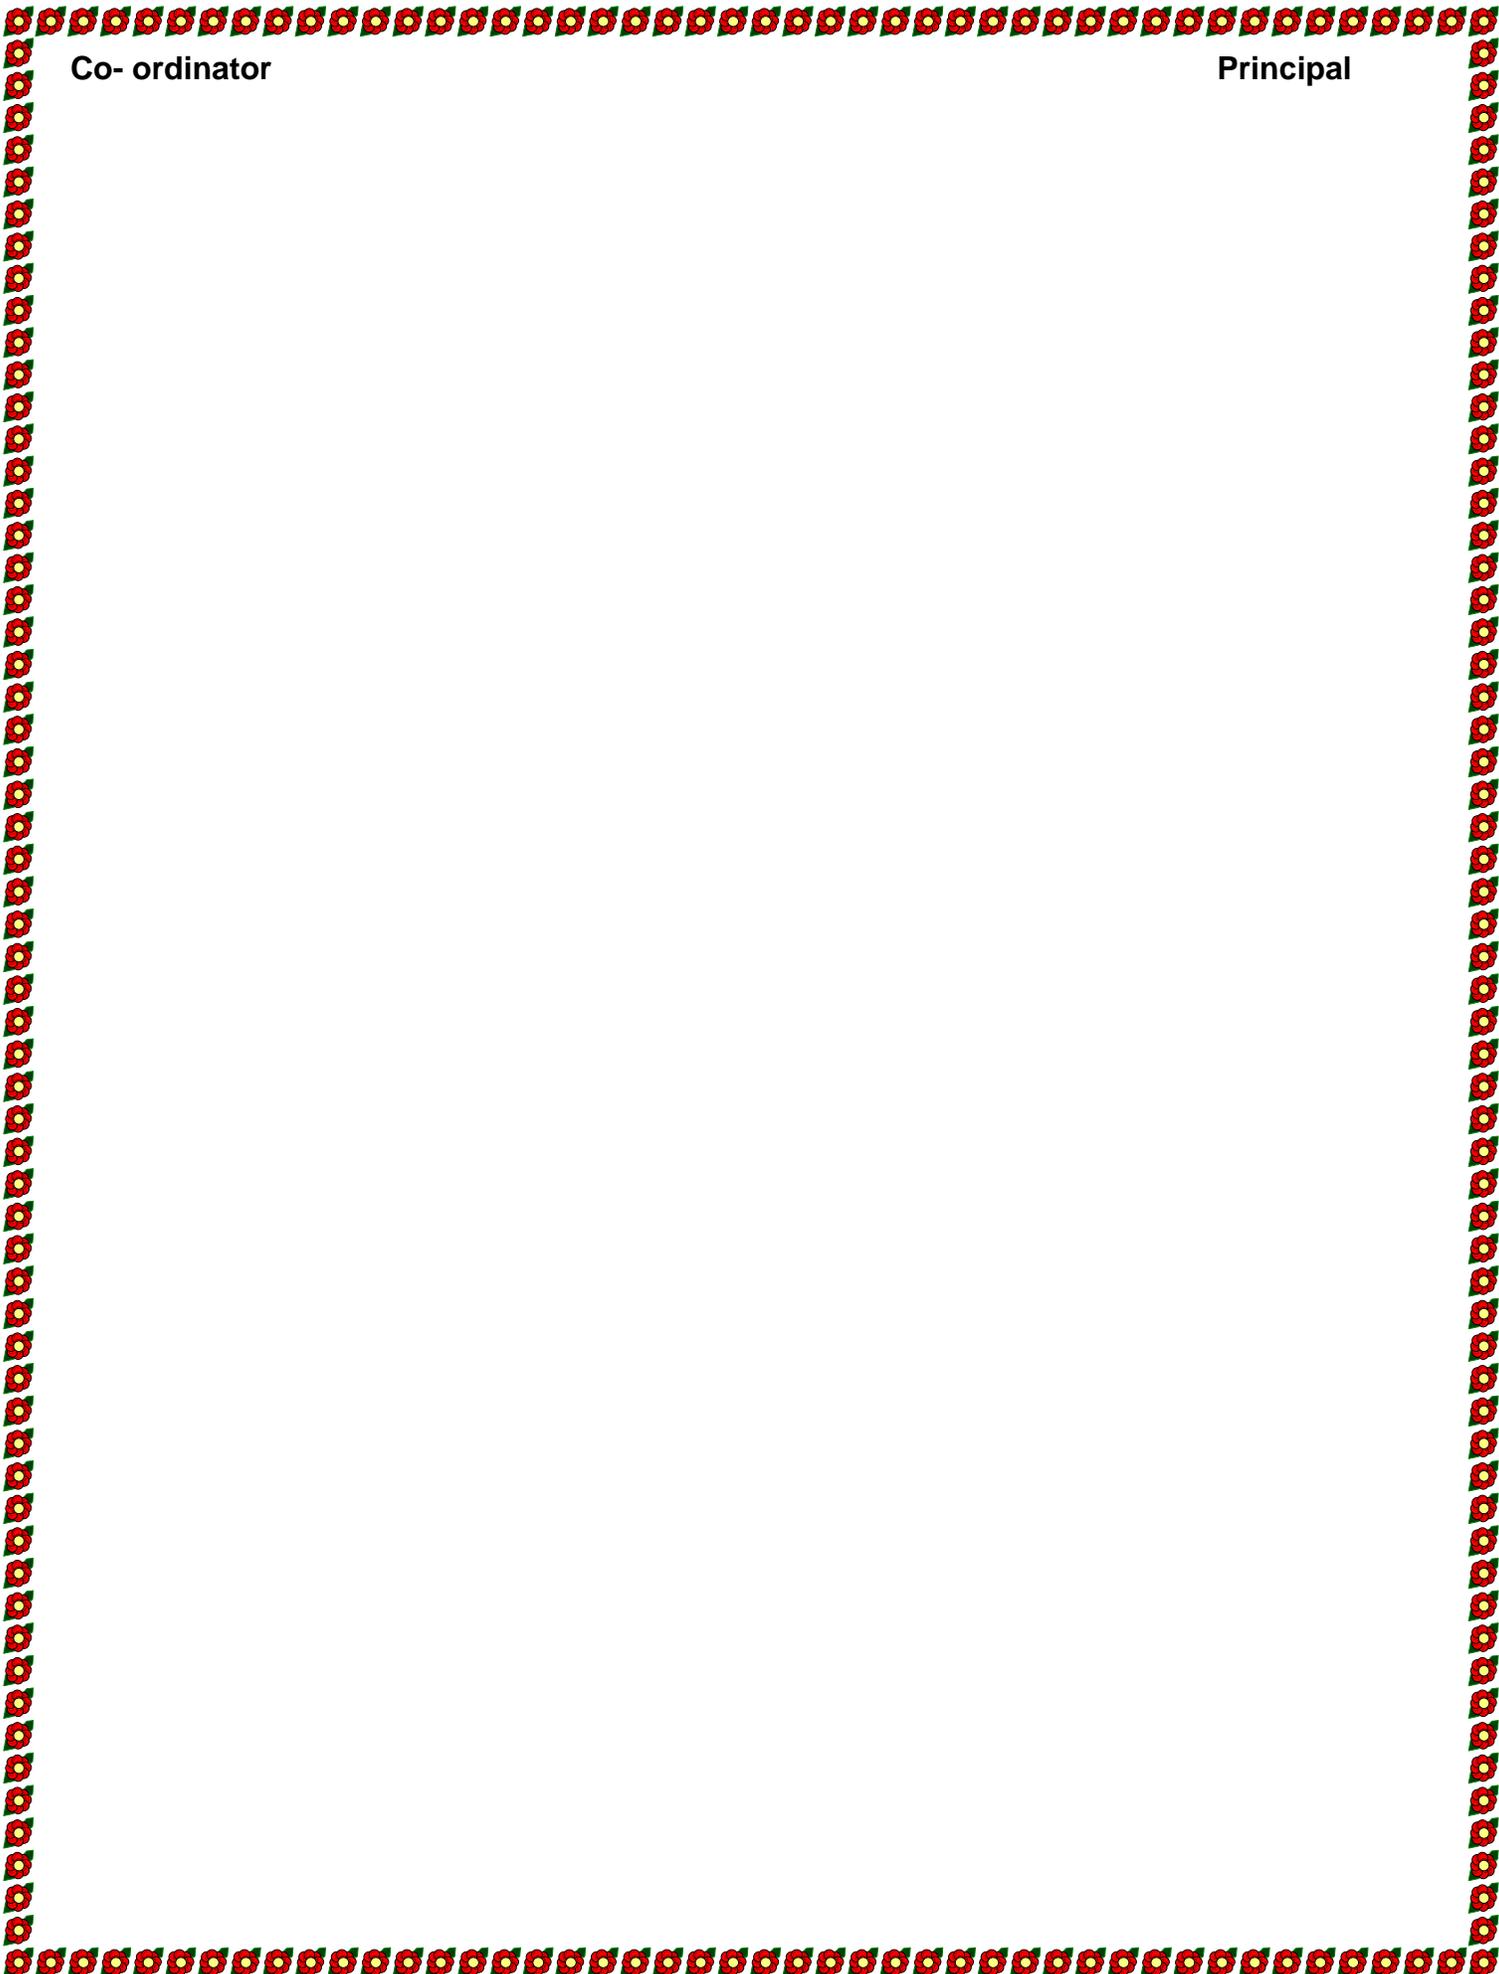

organised a mock global village in which stalls were put up for various countries and depicted the food, clothing, tradition, music and dance of the respective countries. the kids witnessed the same as a part of a visit to a village.

### **It's Vacation Time!!**

Soaring heat and breezy nights bring home happiness and joy and to add on the fun spice, the school announced its summer vacation for class VII from 18th May 2018 to 30th June 2018. The kids were given HHW for various subjects to break the monotonous schedule of the day. HHW enriches the creativity of a child and keep him/her young at heart always.
