## FRENCH DAY

Bastille Day is the common name given to the national day of France, which is celebrated on 14 July each year. In French, it is formally called la Fête nationale. As we know, our school Mount Abu Public School follows each culture to show the 'unity in diversity' among the Mapians and citizens of India Like other occasions we also celebrated 'French Day' with joy and full enthusiasm. We completed our day with French dance, French song, poem, rhymes and a knowledgeable quiz

## HOW TO ACHIEVE SUCCESS

On 24th August 2018, Thursday, a workshop on “How to Achieve Success” was conducted by Ms. Anjali Sachdeva from ‘Times of India’ for classes VII and VIII. The workshop started with presentation of an anecdote of a young girl Lluchi Migushi who was very poor but had a great interest

in writing poetry. She felt inferior due to the rich people but somehow managed and won first prize in poem writing. She told that students should be happy with the things they have and not to make their parents unhappy. She highlighted the need of making a timetable for managing time and being discipline which will lead to success. She laid stress on sacrificing as a major thing to be a successful person. The resource person had an interaction with students. The workshop ended on an optimistic note where, she asked the students to have faith in themselves and do their best.

## WORKSHOP ON SAFETY MEASURES

“Prevention is better than cure”. A workshop was conducted by TPDDL at Mount Abu Public School, which taught the value of preventing any mishappenings while “Flying Kite” on the upcoming event of Independence Day. The session was conducted by two resource person who addressed the students can remain safe. A presentation on safety measures was shown to the students which

taught them basic safety measures like – not to fly kites near electrical wires; Not to keep down galleries, fences, roof tops or terrace borders and not to catch kites. The session was interactive as several questions were put up for the students, they answered them correctly and received many gifts in return. It helped the students to take keen interest. Hence forth, it helped the students to gain an insightful learning.

## VISIT TO NATIONAL SCIENCE CENTRE

The students visited National Science Centre on 16.8.18 for a hand on session on cell structure. The objective of the session was to equip students to make temporary slide. The students were given a demonstration by the instructor in the innovation space Biotech lab. They were given all the materials and they bacteria. Further they learn to observe it under the microscope and magnify the structure. Also they were shown live cultured paramecium. It was followed by Question – Answer round. The session was interactive and informative.

## ASSEMBLY ON WORLD CONSERVATION DAY

Class VIII – C got a golden opportunity to present a wonderful Assembly on the occasion of “World Conservation Day”. World Conservation Day is celebrated on July 28, every year to enlighten people a healthy environment, which is the foundation for a stable and productive society to ensure the

well being of present and future generations, we all must participate to protect conserve and sustainably manage our natural resources. Choir group of VIII – C present a song performance on ‘Aisa Desh Hai Mera’ along with poem enactment to highlight the beauty of Nature and Our Country India.
