IILM Young Citizen Award for Innovation and Social Impact 2019

Dear Students

In order to encourage **young** school children to engage with ideas of **citizenship** and commitment to civic values by encouraging **innovative** ideas to create **social** impact in the world that surrounds them IILM, in collaboration with United Nations Global Impact, is organizing IILM Young Citizen Award for Innovation and Social Impact 2019.

The competition is open to all the students from **Classes IX to XII**

Students have to submit the innovative ideas focusing on following realms
- Sustainability
- Gender Justice
- Inclusion
- Diversity
- Responsible
- Social Justice
- Environment- Clean tech, Clean Air, Water and Sanitation
.

Evaluation Criterion ON SCALE OF 100

Innovativeness of the idea	30%
Feasibility	20%
Project Idea Presentation	20%
Social Impact	30%

Submission Format
- **There are three stages of the Competition**:
  o In the first stage, the participants will submit a MS Word document, of upto 500 words, highlighting the focus area and their proposed idea/solution.
  o In the second stage, all the teams will be invited to IILM Gurgaon campus for presenting their ideas to the Evaluation Committee, in the form of a MS PowerPoint presentation. Participants must use their creativity to present their understanding of the chosen area in an interesting way.
  o In the third stage of the competition, the shortlisted teams will be invited to IILM Gurgaon for the grand finale.

How to Apply
Interested participants must submit their ideas to the following email id
socialinnovationchallenge@iilminstitute.ac.in.
Last date to submit the idea   -30 JULY 2019

Prizes
In recognition of the efforts, cash prizes will be awarded to the top 3 submissions:
First Prize: Rs. 1,00,000/-
Second Prize: Rs. 30,000/-
Third Prize: Rs. 15,000/-
Special School Rewards
- The school of the winning team will receive a special prize.
- The school that sends the maximum entries will get a special reward as a recognition of their support to social innovation.
