### Classes I - V

## Month- July & August

Dear Parent

*“Each life is made up of mistakes and learning, waiting and growing, practising patience and being persistent.”*

.....*Billy Graham*

Learning indeed is a never ending process and the knowledge that one attains through fun is everlasting and eternal.

Mount Abu Public School takes pride in imparting the knowledge to the young learners through plethora of activities that helps the students not only know the concepts but also realise their application in real world.

As Half Yearly exams are approaching for the students of Grade IV and V and Evaluations are in progress for the students of Grade I – III, we share the following guidelines to help your ward perform to the maximum of his/ her abilities and attain the desired learning outcomes through dedicated effort Parents are requested to ensure that the child

- takes examination as a moment to rejoice learning.
- Budgets his/her time wisely.
- Divides the course material into small segments.
- Sets clear and specific goals for the study sessions.
- Avoids cramming instead he/she should understand the content and concept.
- Doesn't make the study sessions too long, include regular breaks.
- is motivated and encouraged regularly.
- takes examination with complete sincerity.

Every individual is unique and we as mentors to our young children must not compare or set unrealistic high targets for children but its our duty and responsibility to ensure that the child enjoys the process of learning and is provided with the wings of imagination and offer a path to help them reach the highest level of creativity and serve the society with a purpose to make it a better place to live in.

Let us come together to achieve our common goal and maintain the sanctity of assessments.

I would conclude with the words of Walt Streightiff which I totally believe in

*“There are no seven wonders of the world in the eyes of a child. There are seven million.”*

## ECO WARRIORS AT MAPS

*“Never doubt that a small group of thoughtful committed citizens can change the world .Indeed it is the only that ever has”*

... *Margaret Mead*

To bring a meaningful change in the society Mount Abu Public School inspires , motivates and gives opportunities to the students to connect themselves with nature. It provides students the platform to take action on issues related to the Environment so that they feel passionate about it.

The school regularly conducts various environment awareness activities such as Sapling Plantation , Rally On No Plastic , Poster Making For Save Our Sparrows, Workshop On Water Conservation, Street Plays, Cleanliness Drive, Recycling Of Dry Leaves and many more to sensitize the young learners to be concerned about our bountiful environment and take actions to conserve and preserve the resources for future generation.

Together we can create wonders as coming together is a beginning, keeping together is progress, working together is success. Hence every individual must share the responsibility and spread the universal message to safeguard the precious resources of Mother Nature.

# GLORY AT A GLANCE

## Glorious Moments For MAPIANS...
