September & October (2019-20)

“There is no exercise better for the heart than reaching down and lifting people up”.

Dear Parent

Greetings of the day!

I feel delighted to share the ways in which Mount Abu is scaling heights of success day by day. We not only make the students strong in academics but also make them understand their role in the society by doing their bit for the less privileged. I am sure our little help would always bring a smile on faces of many and a sense of realization to them that there are people from distant places who care. The values that we imbibe in our children will surely help them become better citizens with strong personalities. The activities and events conducted during this period .i.e September- October clearly highlight the spirit with which they show their talent to the fullest Let us have a glimpse of MAPS wonderful journey on the path of excellence !
