THE CREATOR'S MANIFESTO

Welcome to Mount Abu School's Creatorverse.

Every child is a Creator. Imagination is their first language. Curiosity is their first tool. Expression is their first power.

Inspired by the vision of Hon'ble Prime Minister of India Shri Narendra Modi, who has emphasised the rise of India's Creator Economy and the establishment of Creator Labs in schools to nurture storytelling, animation, gaming and digital innovation, this year celebrates young minds as makers — not just learners.

Through twelve creative dimensions —
Comics & Visual Storytelling, Anime & Character Creation, 2D Animation, 3D Worlds, Storyboarding, VFX, Digital Art, Voice & Sound, Game Design, Ethics in Media, Childhood Stories and The Young Creator's World — we honour imagination with responsibility.

At Mount Abu School, creativity is not an activity.
It is identity. Welcome to the Creatorverse.

BY CREATING COMICS, YOUNG MINDS LEARN IMAGINATION, SEQUENCING, EMOTION AND EXPRESSION—TURNING THOUGHTS INTO STORIES THAT CAN BE SEEN, FELT AND REMEMBERED.
