Few areas where we still need to work together: -

Uniform The children all look extremely smart in their winter uniforms but please ensure your child's track suit, light grey caps and gloves are labelled. Often children do not recognize their own belongings and staff is having tough time reuniting lost items with their owners. Sent spare clothes according to the season in clear bag.

Sickness When your child is ill, please do NOT send him/her to School. We strongly recommend that children who have sore throat, cough, headache, pain, fever, cold should take rest and medicine at home even if they have weekly observation. The same can be rescheduled for the child on parents written request. Inform the school through call/ mail and submit leave application and med. Fitness cert. if required.

Stationery The child must bring basic stationery i.e 2 Sharpened decent size pencils, an eraser, sharpener, crayons on daily basis so that the child develops sense of belongingness and self-dependence.

School Bag Kindly label it by adding a label at the back rest clear pocket and a pic of the child should be placed in the arm strap clear pocket for the child to easily recognize his/her bag. Ensure the same is washed after removing identity labels once in 15 days.

Regularity and Punctuality The child must be sent regularly to school to ensure continuous learning. The same must be reinforced at home for revision of oral and written concepts. The school Reporting timing is 8 am. Parent must ensure child reaches school by 7:55am.

English Conversation We must regularly use basic sentences in English to converse with the child to build understanding and confidence for English language usage in daily life.

Stranger Danger- Kindly share below listed tips and strategies with children to enable them to protect themselves in unwanted situations. The Children Must Know

- Their name, address and phone number.

- Not to speak to the strangers.
- Not to accept sweets or any other items from strangers.
