

MOUNT ABU PUBLIC SCHOOL

NEWSLETTER (PRIMARY)

November-December (2017-18)

Dear Parent,

The school expresses its heartfelt thanks for your whole-hearted cooperation and support for conducting all important events successfully inside and outside the school in the month of November and December.

Parents, teachers, siblings, elders and friends play an important role in child development and more importantly the family and teachers have a critical role. What makes the child to stand out instead of stand back is the self-confidence, self-esteem and initiative.

Mere knowledge and intelligence without those traits make the child diffident and insignificant. Family and teachers which care for the child and family and teachers who scare the child, each situation causes a different impact on the child. Therefore, as parents and teachers we need to work together to bring the child to the optimum level to communicate and perform effectively.
