शिक्षक और सड़क दोनों  
एक जैसे होते हैं  
खुद जहां है वहीं पर रहते हैं,  
मगर दूसरों को उनकी मंजिल तक  
पहुंचा ही देते हैं।

**A Student's Gratitude towards  
his Teacher**

*It takes a special person  
To teach a child in class.  
To just keep his attention  
In a world that moves so fast.  
To show a child he is unique.  
With talents deep inside.  
To help to build his confidence,  
So he can beam with pride.*

*To show a little patience  
For a child who's lost his way.  
To a child who feels abandoned  
Who has seen better days.*

*To inspire and to motivate,  
So a child can learn and grow  
To go into this big wide world  
That has its highs and lows.*

*You are a special person.  
You always gives your best;  
And for every child who has your class,  
Their life is truly blessed.*

#### **Dear Parents**

The school strongly believes in sustainability of Environment for the existence of life on Earth and in this regard it has been initiating number of activities in association with the Organizations concerned about the Environmental issues. On the occasions when guests and dignitaries visit the school, they are gifted saplings instead of bouquets.

On birthdays, the students are strongly instructed to bring saplings in place of sweets. The Eco Club also sensitizes students about the alarming consequences they are going to face if not taken care of the environmental issues right now. In this regard the students of class 1-5 had "Save our Rivers activity on 31<sup>st</sup> August 2018 to make them realize not to pollute the rivers and raise the issue in their families and neighborhood too. We also seek the co-operation of the parents to support the school's ventures for better future and build the trust among the students in their parents and teachers.

Some useful tips to create your wards study plan and assist them in half yearly examinations.
