

Dear Parent

In order to promote Health and Wellness among the students, the school has mainstreamed the **Health and Physical Education as per CBSE guidelines vide CBSE Circular- Acad/21/2018 dated 25/07/2018**, for which the students have to compulsorily attend various physical and social activities. Each child will be given grades/level on the basis of his/her involvement and performance in the activities. The grades will be reflected in the final report card issued by CBSE. Absenteeism will result in low grades.

Students are required to report to school daily by 7:35 in the morning and assemble in the Badminton Court for the same.

Thanks

Principal
