

Dear Parent

This is to refresh you once again that the school is highly concerned in regard to lighten the weight of school bag and the school proposes the parents to send only the notebooks and almanac with the child according to his /her class time table on a regular basis. The textbooks should be sent according to the days allotted below:

Monday & Wednesday	English & Mathematics
Tuesday & Thursday	Hindi & EVS
Friday (No Bag Day) – The students should bring a small bag labelled as “My Friday Bag” with almanac, lunch box and pencil box only	

It has been observed inspite of all the instructions being given time to time, some students are still not bringing the bag according to the time table given and on Fridays some students are bringing the complete bag also, therefore parents are guided to check their ward's bag on daily basis to ensure light bag and avoid bringing of unrequired study material to the school.

Kindly follow the guidelines strictly for the smooth functioning of the time table.

Thanks

Principal
