

Dear Parent

The winter season is setting in, therefore the students should switch over to winter uniform w.e.f 1st November. However, wearing of half sleeves sweater & blazer is optional depending on the condition of weather. **We further want to communicate to you to ensure smart turn out of your ward in every respect to build confidence in him/her.** Kindly check if the uniform is under size /worn out. it is justified to purchase the new one from the tuck shop which is available from 9:00am to 12:00 noon from 29th October onwards.

We need your cooperation in this regard.

Thanks

Mount Abu Public School
