IMPORTANT INSTRUCTIONS FOR STUDENTS

Before Examination

- Prepare well to score well in your examination and practice question bank from school website.
- Practice makes a man perfect. Practice sample question paper/practice manual.
- Ask your teachers about doubts and extra questions.
- Ensure that all your work is complete in all the subjects. Take the help of your friends and teachers in case of incomplete work.
- Take nutritious diet and exercise daily.

During Examination

- Write your answers in neat and legible Handwriting. Use a good quality pen. Avoid cuttings and spelling errors while writing answer.
- Follow the time management.
- Revise your answers before submitting your answer copy.

Thanks

Principal
