MONTH NOVEMBER-DECEMBER

Dear Parents,

Heartfelt thanks for your co-operation and contributions for making every event held in/outside the school a great success. Your positive & approving attitude surely motivates us to initiate the various activities to provide students the optimum opportunities to garnish the hidden talents in them.

It is not enough to get your child into a good school but parents must play an active part in their education & co-operate the teachers in imparting knowledge & nurturing wiser, morally sound and holistically developed students.

Now a days the students are fascinated by the entertainment value of technology but the parent need to keep check and motivate them to acknowledge its worth as a source of knowledge. A conscious effort needs to be made towards inculcating the discipline, the kind that comes from within.

In our endeavor to help students to feel comfortable in school, the school has initiated 'No bag day' on Friday for class-I,II & III and in case it works well will be applicable in class-IV-Vtoo. For lightweight bag- 50% of the books are already kept in the school and the students must be guided to set their bag according to the given Time Table.
