WELCOME BACK TO SCHOOL

NEWSLETTER – JULY 2022

Our #GlobalCitizens are back to school after summer vacations to continue with their #NewAcademicSession. They are more energetic, more passionate and more determined to build a #SustainableFuture. Our School Mascot #ABU welcomed all our learners and reminded them of our shared goals. After two years of global pandemic, school closures and nationwide remote instruction, now the dust seems to have settle from this year, and this makes the role of schools more crucial and more critical.

When all students finally return to school, their social, emotional and physical well-being is also taken care of. Indoor, outdoor, clan and club activities will boost the development of students and enrich their skill tank. Their interactions with friends and classmates are imperative for their social and psychological enhancement. We look forward to seeing all our students take classes from school, enabling us to serve them better and being an indelible part in their holistic development.

Mount Abu Public School has never failed to meet any challenges that came its way. It takes quick and pivotal decisions and focuses on continuous growth and smooth upward trajectory of education for its students. We aspire to empower our students to be innovators and leaders of this constantly changing world and that is needed now more than ever. Although there were concrete chances of gaps and disparities being created in the teaching-learning process, due to the intermittent lockdowns, our teachers and students have worked in tandem to overcome such impediments. Now when our students are back to their second home, we feel it as our duty to recognize their needs, cater to their well-being and be their support systems.

Vision Statement

VISION 21st Century : Redefining The Future

All of us at Mount Abu School worked together to draft and deliver our brand new Vision.

Vision 21st Century is here to support us in building a community of “Future Ready Global Citizens”.

Our gratitude to all our learners, educators, families, community and leadership for being part of this journey of defining a brand new vision for years to come. It is our Shared Vision and all of us are together to achieve the mission.

With this vision, we are more determined to continue defining standards, raising bars, setting trends and inspiring leadership.

PROUD HOST

ASIAN LANGUAGES AND LIVELIHOOD MISSION 2022

Mount Abu Public School hosted delegates from 4 Asian Nations at Asian Languages & Livelihood Mission 2022.

An honor for Team Mount Abu School to host Mr Koji Sato (Director General, Japan Foundation), Mr Peters LY Chen (Director Education, Taipei Cultural & Economic Centre), Mr Euy D Park (President, Federation of Korean Associations in India), Mr Sanjeev Ahuja (Senior Editor, ACN Network), Ms Suzuki (Japanese Language Advisor) and renowned education leaders across Delhi NCR.

Various platforms to enable our Global Citizens and learners across Delhi learn Asian languages. Together at Mount Abu for a Sustainable Future. #Vision21Century #GlobalCitizenship

FRENCH INSTITUTE IN INDIA

Mount Abu Public School proudly hosted French Teachers Training by French Institute in India for member schools of Indraprastha Schools Sahodaya & Delhi Sahodaya Schools Complex. French language educators from schools across Delhi NCR participated in the experiential training session hosted by Mount Abu School.

Delegation from France & Embassy of France in New Delhi visited our campus to meet & interact with #GlobalCitizens learning French as a third & second language. Delegation paid a visit to exhibition put up by our #GlobalCitizens. Gratitude to Ms Maryline LAIDIN (Attaché for Cooperation in French Language at French Institute in India / Institut Français en Inde) and French educators from all across Delhi NCR for their kind presence.

E WASTE: TRASH TO CASH

Mount Abu School share a great responsibility to the planet and we can do more! We are Changemakers who believe in recycling, reusing and reducing. We hosted Trash to Cash Challenge "Sale Day : 2 July 2022". Global Citizens of Mount Abu Public School turned ecopreneurs as they joined Trash To Cash Challenge. Their wonderful products had the Midas touch as they transformed garbage to gold with their creativity and earned cash for their amazing products. Sale Day The customers appreciated the efforts of the enthusiastic learners to conserve the environment, together for a Sustainable Future

AZADI KA AMRIT MAHOTSAV CELEBRATIONS

- Junior School had kick started Azadi Ka Amrit Mahotsav countdown with a massive Swachh Bharat Campaign.
- Explorers are celebrating #AzaadiKaAmritMahotsav by exploring various aspects of Indian Freedom Struggle. Their inquiry took them to Gandhi Smriti and Darshan Samiti New Delhi where they interacted with Hon'ble Vice Chairperson GSDS Shri Vijay Goel Ji.
- Youngest Global Citizens paid a visit to Bharat Darshan Park Delhi to celebrate India's 75th Independence & sustainability. Replicas of famous Indian Monuments installed in the park have been processed out of waste collected by the Municipal Corporation of Delhi.
- Political Science Students of Senior School visited the Election Commission Museum located in the office of Chief Electoral Officer, New Delhi. As part of an experiential field trip, the visit came handy to Global Citizens understanding the electoral procedure of our democratic nation India.
- Middle School students visited Pradhan Mantri Sangrahalaya & Gandhi Smriti and Darshan Samiti as part of on-going celebrations marking #AzadiKaAmritMahotsav.

Tech-enabled interactive exhibits at both Prime Ministers Museum & Gandhi Smriti (Tees January Marg) mesmerized learners & inspired them to explore more about Gandhi & Prime Ministers of India.

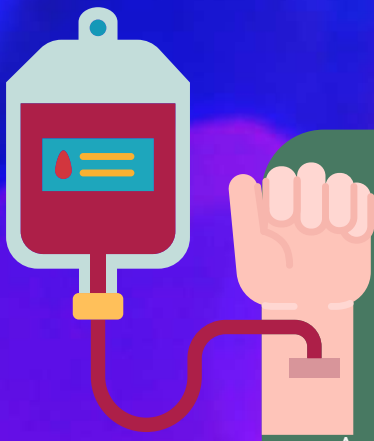

• **KITCHEN GARDENING**

Our Senior school students organized the 'Kitchen Gardening Session' for the students on 2nd July 2022 which was presented by the students of class 12th. Incorporating the skill taught in this session will help students eat healthier and live better. The session began with an interactive quiz in which active participation was seen by the teachers and students. In the session, students were acquainted with the knowledge of how to grow various vegetables and fruits at home. The presenters also shared DIYs about how to protect plants, make fertilizer at home, recycle a plastic bottle into a beautiful flower pot and make our own cemented pots at home. The session surely enhanced the knowledge of the participants and broadened their perspective towards gardening.

**SKILL
DEVELOPMENT
PROGRAM**

Blood and Organ Donation

A great initiative was taken by the students of class 11th D. They presented a life skill session on the topic 'Blood and organ donation'. People fear donating blood and organs just because of some myths in their mind. The session started with a conversation about Blood and Organ Donation and why it is important and beneficial. It acquainted the students about the myths regarding blood and organ donation that is an obstacle for the people of a country to become a life saver. The participants even showcased two informative videos which helped the audience to understand the need of donating blood. They even organised a quiz for Blood Donation and another for organ donation in which active participation was shown by the audience. Certainly, it was a very informative session for everyone.

Gift Wrapping

A great initiative is taken by the students of class 11th A. The topic for the same was 'Gift wrapping'. Session commenced with a briefing of the day and the host cited that gift wrapping serves as a garnish to your already wonderful gift. It adds an element of surprise to your present and makes the receiver feel even more special. Anchor of the day further highlighted that with just a little more effort from your side, your present will be superior to every other present they will possibly be receiving. As the festive season is round the corner, this ninth session of our Life Skill. Children showcased live performances of different and creative styles of gift wrapping. Besides, an enthusiastic participation was witnessed. Session was enriching and full of creativity.

Van Mahotsav Celebration

Van Mahotsav, a week long festival of tree planting is organized every year in the first week of July across India when millions of trees are planted. This movement was initiated in the year 1950 by Indian Union Minister for Agriculture, Kulapati Dr. K M Munshi. The celebration of Van Mahotsav Week at Mount Abu Public School was an ideal opportunity to instill personal and social responsibility in our students towards safeguarding trees and forests. The focus of these celebrations is towards forming a personal connect between the students and trees through a process of experience, reflection and creation. To celebrate the Festival of trees called Van Mahotsav students participated in various activities conducted in a week long event.

Workshops

Filo Ed-Tech Program

This program had the objective to acquaint students with the Filo App and its benefits. It is an instant tutoring app in which the students can put up a question in the form of an image/typing the question. The question will be taken by subject expert within a minute wherein they'll be providing a detailed solution and guidance to the students. Overall it was a very informative session.

Desh Aur Hum – Awareness Program

National Academy of Direct Taxes with the help of Salwan School Trust conducted this workshop to spread awareness among the students of level 6-12 of schools with the help of competitions, nukkad natak, assemblies etc. The resource person Mr. Madhukar Kumar Bhagat briefed everyone and cleared several doubts as well.

Career Guidance Program

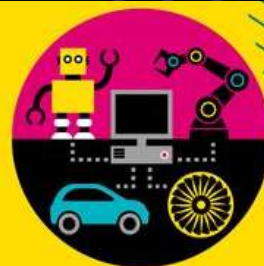

Students were given brief about making of school profile and student's profile to grow in future and in making career choices. Student's profile was explained [Demographic Details, Curriculum Ranking Systems, CUET, International Dimensions and Alumni Network]. Few other strategies were also discussed and deliberated. It was a great session for our global learners.

Creative Pedagogies in STEM

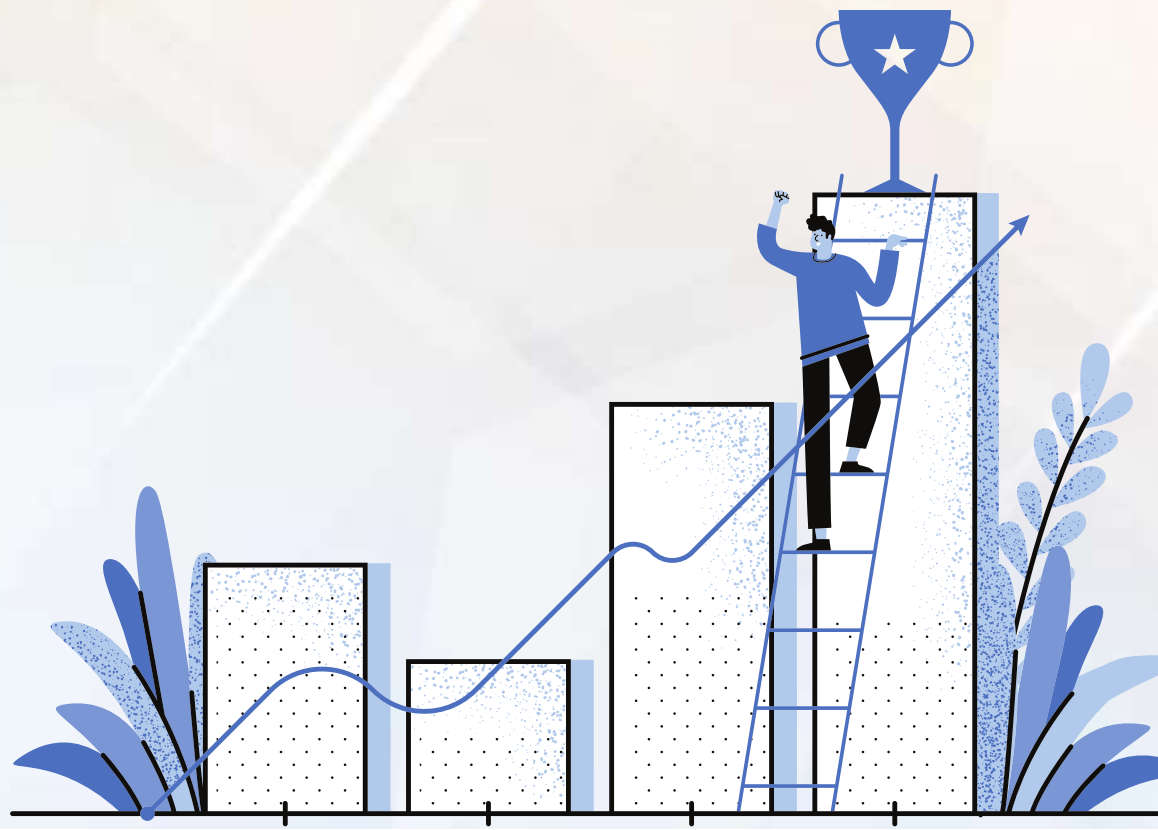

We are a learning organisation seeking to #RedefineFuture. #Vision21Century. We believe learning is an ongoing and creative process for our stakeholders and therefore, believe in developing, adapting, and transforming ourselves in response to the needs and aspirations of the learning community, keeping this in mind, we hosted a workshop on Creative Pedagogies in STEM.
