MONTHLY NEWSLETTER

Senior Secondary Wing | March - April 2025

Principal's Message

Welcome to the New Academic Session 2025-26

The future belongs to those who believe in the beauty of their dreams.” – Eleanor Roosevelt

At Mount Abu Public School, every moment with our middle wing students is a reminder of the incredible spark they hold within them. It's in the questions they ask, the discoveries they make, and the passion they bring to everything they do. This is the time when their dreams begin to take shape, when they start to believe in their own abilities, and when they learn that there's no limit to what they can achieve.

As the academic session unfolds, our goal is to provide a space where each one of you feels encouraged to explore, to imagine, and to grow. A place where your voices are heard, your ideas are celebrated, and your unique strengths are nurtured.

The energy and creativity that you bring to our school inspire us every day. Whether you are expressing yourselves through art, literature, sports, or leadership, you are already making your mark.

And remember, the journey ahead is yours to shape. Keep dreaming big, keep being curious, and never stop believing in yourselves.

Don't stop at the sky—it's just the start,
The universe opens to a fearless heart.

With warmth and pride,

Dr. Jyoti Arora

Principal, Mount Abu Public School

SELAMAT TINGGAL

A Ghibli-Style Goodbye to 2024-25

As the curtains draw on the academic session 2024-25, we're not just closing chapters—we're wrapping up a story that could rival any Studio Ghibli classic. From soaring through new concepts like Howl's Moving Castle, to facing challenges with the courage of Spirited Away, our students, teachers, and staff turned every day into a magical adventure filled with heart, hustle, and a sprinkle of wonder.

As we prepare to turn the page to a new year, we carry forward memories that feel like scenes from our own animated epic—vivid, meaningful, and unforgettable.

Much like a Ghibli film, this year had it all—moments of quiet reflection, bursts of creativity, unexpected friendships, and lessons that will linger long after the credits roll. Whether it was mastering mathematics, exploring literature, diving into science, or expressing through art and music, each learner scripted their own tale of growth.

What made this session special wasn't just the academics—it was the spirit of community, the joy of discovery, and the resilience of our young minds, even in the face of challenges. Projects came alive, classrooms buzzed with curiosity, and the campus echoed with laughter and learning.

LIMITLESS PROGRESSION

VISION
21st Century
Redefining The Future

A LEGACY OF DEDICATION AND VISION

LATE SHRI DINA NATH ARORA Ji

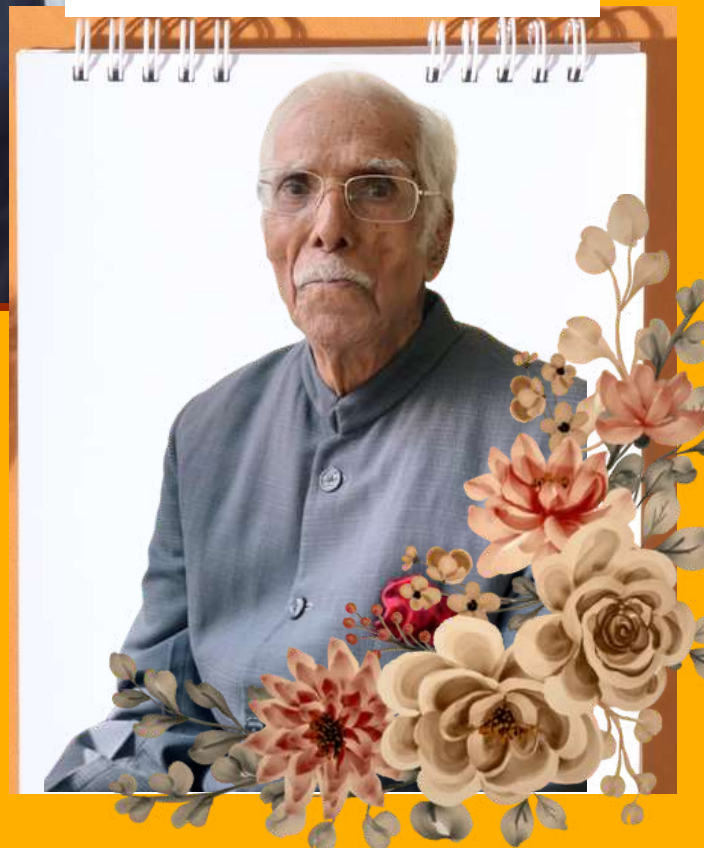

Founder-Chairperson of
Mount Abu Schools

A Vision that Continues to Inspire

Shri Dina Nath Arora's contributions to education have had a far-reaching impact on countless students, teachers, and families. His vision of holistic education continues to inspire the staff and management at Mount Abu Schools, ensuring that the institution remains a leader in progressive learning and a symbol of academic excellence.

Shri Arora's remarkable leadership shaped the foundation of Mount Abu Schools, with a focus on fostering both intellectual and moral growth. He envisioned an educational environment that blended traditional values with modern teaching methodologies, offering students not just knowledge but the wisdom to navigate the complexities of life.

In a poignant ceremony, the Lifetime Achievement Award (Posthumously) was conferred upon Late Shri Dina Nath Arora, the visionary Founder-Chairperson of Mount Abu Schools. This prestigious honor was presented by the Hon'ble Shri Harsh Malhotra Ji, Minister of State for Roadways and Transportation, Government of India, recognizing the immense contributions of Shri Arora to the field of education.

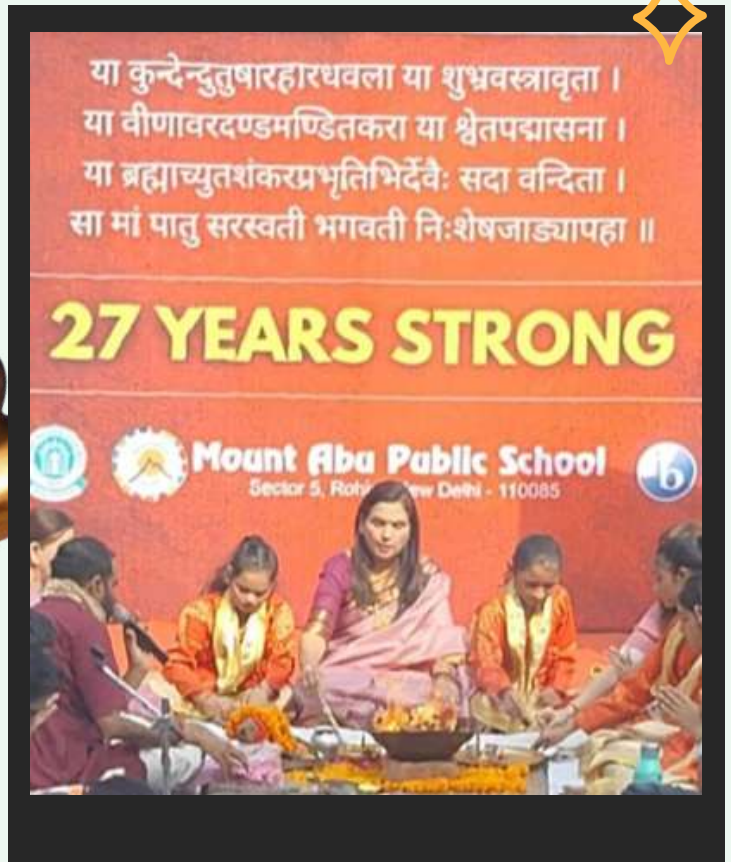

Mount Abu Schools, founded by Late Shri Dina Nath Arora, has established itself as one of the premier educational institutions in the country. With a commitment to fostering academic excellence, character building, and overall personality development, the school remains dedicated to shaping the leaders of tomorrow.

ENDURING LEGACY

Over the long weekend, our vibrant **#LearningCommunity** celebrated an incredible milestone — 27 years of growth, purpose, and collective progress. **#Annual Hawan Ceremony**, a ritual that grounds us in values and unity.

**27 Years
Strong**

Celebrating a Journey of Purpose, Progress, and Unity that We Are Learning

Celebrating 27 years of dedication to education and community, we reflect on our journey marked by purpose, progress, and unity within our **#LearningCommunity**. From humble beginnings to a hub of holistic development, each milestone showcases our shared vision. This anniversary honors all learners, educators, parents, and supporters who have shaped our legacy, as our enduring values guide us toward a promising future.

ENDURING LEGACY

As Mount Abu Public School commemorated 27 glorious years of educational excellence, the celebration began on a heartfelt and reverent note. In a solemn and emotionally charged moment, tribute was paid to the visionary founder whose ideals, dreams, and tireless efforts laid the foundation of this esteemed institution. The image captures the principal, in a gesture of deep respect and gratitude, offering prayers before the founder's garlanded portrait—a powerful reminder that behind every thriving legacy lies the wisdom and sacrifice of those who dared to dream first.

When the Epic Unfolds

The stage came alive in a spectacular display of storytelling as students of Mount Abu Public School presented a thought-provoking theatrical act during the school's 27th Anniversary celebrations. Titled symbolically, *When the Epic Unfolds*, the performance transported the audience into a world of moral conflict, spiritual symbolism, and timeless lessons drawn from mythological roots.

In a mesmerizing scene that gripped every eye in the auditorium, three characters emerged: a warrior wielding a sword, a serene figure in orange representing innocence or divinity, and a bird-like character symbolizing purity or peace. The tension on stage was palpable—the bird, seemingly caught in a battle not of its own making, the warrior driven by power or rage, and the peaceful figure bearing silent witness to the chaos. With every movement, every gesture, the young performers brought layers of meaning and emotion to the forefront.

Harmonies of Hope: A Bridge for Peace & Compassion

The #GlobalCitizens of Mount Abu School had the honor of attending “A Bridge for Peace & Compassion”, an extraordinary multicultural concert hosted by the Embassy of Ukraine in the Republic of India. This vibrant event served as a celebration of unity, music, and shared humanity.

Organized in collaboration with EUNIC (European Union National Institutes for Culture), the concert brought together Ukrainian, Indian, and international artists on one harmonious stage. The atmosphere was filled with emotion and inspiration as performances flowed seamlessly—from the soulful piano compositions of Dr. Taras Filenko, to the moving choral melodies by the AO Naga Choir, captivating Indian musical improvisations, and a graceful dance performance by Nisha Kesari.

Each performance carried a message of peace, compassion, and cross-cultural solidarity, leaving a lasting impression on every student in attendance. The event not only showcased artistic brilliance but also echoed the importance of dialogue and understanding in today's world. We extend our heartfelt gratitude to the Embassy of Ukraine for this incredible opportunity and for fostering global citizenship through the universal language of music.

Hearts United for Myanmar

In times of crisis, it is not just aid that brings comfort, but the spirit of unity and empathy that fosters genuine hope. At Mount Abu School, we are filled with pride and gratitude as we observe the heartfelt response from our families and members of our **#LearningCommunity** towards the earthquake relief efforts in Myanmar.

The recent earthquake in Myanmar has caused devastating effects, leaving thousands urgently in need of assistance—families displaced, homes destroyed, and communities striving to rebuild amidst profound loss. In the face of such challenges, your compassion has shone like a guiding light.

Thanks to your generous donations—whether they be financial contributions, essential supplies, or even sincere messages of encouragement—we have been able to provide crucial support to those who require it the most.

Every act of giving, regardless of size, is vital for providing comfort and dignity to survivors, demonstrating global solidarity. This unity transcends geographical and cultural boundaries, promoting values like empathy and social responsibility. As an educational institution, we emphasize that true learning extends beyond classrooms, involving a deep understanding of others' struggles and taking meaningful action.

Mount Abu School Aids Earthquake-Hit Myanmar

In a heartening gesture of international solidarity and compassion, Mount Abu School's learning community has been recognized by the Embassy of the Republic of the Union of Myanmar for its humanitarian initiative. The Hon'ble Ambassador of Myanmar to India presented an official certificate of appreciation to the school's delegation, led by Principal Dr. Jyoti Arora, acknowledging the unwavering efforts of the school in the wake of the devastating earthquake that struck Myanmar last week. The catastrophic tremors left behind a trail of destruction, displacing communities and endangering thousands of lives. Responding swiftly to the call for help, the Mount Abu community came together in a powerful show of empathy and action.

A large-scale fundraising campaign was organized by the school, alongside a meticulously coordinated drive to collect essential relief items including food, medicines, clothing, hygiene supplies, and shelter materials.

Resilience Remembered: Mount Abu at Kwibuka 31

In a deeply moving and solemn gesture, Mount Abu School once again stood tall as a beacon of empathy, reflection, and global citizenship through its annual participation in the Kwibuka Exhibition, commemorating the 31st remembrance of the 1994 Genocide against the Tutsi in Rwanda. The word “Kwibuka,” meaning “to remember” in Kinyarwanda, carries a weight of history, pain, healing, and hope — and this year, it echoed powerfully through the halls of the exhibition as Mount Abu learners paid tribute in heartfelt, creative, and courageous ways.

The school was represented by five of its most thoughtful and talented Global Citizens, who shared original artistic tributes that delved deep into the harrowing legacy of the genocide.

Through mixed media and symbolic imagery, their work portrayed the violence, loss, and resilience of a people who rebuilt their nation with hope. Each piece told a story of suffering, transformation, and unity.

Healthy Habits, Happy Lives

In celebration of #WorldHealthDay, primary school learners collaborated with Dainik Jagran to raise awareness about health and wellness. Their participation showcased remarkable enthusiasm and wisdom.

The event featured an interactive exchange of thoughts, ideas, and personal experiences, all centered around key themes like eating right, maintaining sleep hygiene, and incorporating daily habits that promote physical and mental well-being. Students expressed their understanding of how balanced nutrition fuels the body and mind, how good sleep hygiene improves focus and mood, and how consistent routines help build lifelong habits.

What made this event truly special was the sincere and thoughtful participation of our students. From heartfelt speeches to creative posters and dialogues, the learners showcased not only knowledge but also a deep sense of responsibility toward their own health and the well-being of others around them. By engaging with real-world issues and contributing meaningfully to this platform, our students demonstrated the essence of global citizenship.

Lighting the Way: A Session on Substance Abuse Awareness

In a profound and inspiring initiative, our school had the honor of welcoming Sister Ishita and Sister Priyanka from the **Brahma Kumaris** organization, who shared their wisdom and compassion in a deeply impactful session on the perils of drug abuse, alcohol, and smoking. This special awareness program was held as part of our continued participation in the **#NashaMuktBharat Abhiyan** — a national movement to create a drug-free India.

The session began with a calm and focused atmosphere as the two speakers —known for their spiritual depth and community work—captivated the audience with real-life stories, interactive conversations, and reflective exercises.

They did not just speak about the physical and mental damage caused by substance abuse, but delved deeper into the emotional and spiritual void that often leads individuals, especially the youth, toward such harmful choices. Their words struck a chord, reminding our learners that inner peace, self-love, and purpose are powerful shields against peer pressure and life's struggles.

ROOTS OF CHANGE LEAVES OF HOPE

The Green Impact Report for 2024-25 stands as a proud testament to the sustainable spirit of the Mount Abu School community – a reflection of what's possible when learners, families, and educators unite for the planet. From eco-friendly initiatives and awareness campaigns to hands-on green projects, this year's report captures the powerful momentum our school has built toward environmental stewardship and conscious living.

Every action, whether small or large, has contributed to a shared mission: to protect, preserve, and empower the Earth. Congratulations to each and every member of our vibrant community for their unwavering dedication to sustainability. Your commitment is not just shaping a greener campus – it is planting seeds of responsibility and nurturing a legacy that future generations will inherit with pride.

EMPOWERED MINDS

The school recently hosted a transformative session titled "Empowering Against Bullying," aiming to instill values of kindness, empathy, and strength among students. The session began with a powerful message: "Everyone deserves a life full of happiness and kindness." This resonated deeply with the learners, setting the tone for what was to become an enlightening experience.

KINDNESS WINS

The session opened a crucial dialogue around bullying – a subject that often remains hidden in silence. Students explored what bullying really means, discovering that it goes far beyond physical actions. From verbal taunts and social exclusion to online harassment and emotional manipulation, the session shed light on the various types of bullying that can occur both inside and outside school walls.

Flavors of Friendship Cultures in Harmony

Continuing its commitment to fostering global perspectives and meaningful cross-cultural ties, Mount Abu Public School once again connected with its international partner, Youngin Sungbok High School, Korea, for a vibrant virtual collaboration.

This delightful session was centered around showcasing the heart of Mount Abu School and the rich, colorful tapestry of Indian cuisine. From the aromatic spices to the stories behind each dish, our students proudly presented the cultural depth and culinary traditions that make India's food heritage so unique and diverse.

Learners from both nations engaged in spirited conversations, exchanged ideas, and celebrated the uniqueness that each culture brings to the table. The collaboration wasn't just about food—it was about building empathy, respect, and shared joy, transcending borders and language barriers. Every smile, every story, and every flavor shared during this exchange added to the growing tapestry of global friendship. The session stood as a beautiful reminder that cultural exchange is not just about learning from others—it's about discovering ourselves through new perspectives.

As true #GlobalCitizens, the students of Mount Abu School continue to lead the way in building bridges of understanding, one connection at a time.

BRIDGING CULTURES

As part of its mission to nurture global citizens, Mount Abu Public School engaged in a remarkable virtual cultural exchange with One Earth School, Bali. This collaborative experience transcended geographical boundaries, offering students a meaningful platform to explore, appreciate, and celebrate cultural diversity.

The session was not just a video call — it was a window into the heart of Indonesian tradition. Students from One Earth School introduced our learners to the enchanting world of Balinese dance, traditional music, and customs deeply rooted in their cultural heritage. The vivid rhythms, expressive movements, and visual storytelling left a lasting impression on our students, who were fully immersed in this culture.

IGNITING INNOVATION

The ATL Community Day at Mount Abu Public School was a vibrant celebration of curiosity, collaboration, and creativity. With a commitment to democratizing access to innovation, the event welcomed 105 students from 10 non-ATL community schools, giving them a hands-on glimpse into the world of STEAM learning and design thinking.

The day began with an enlightening induction session, laying the foundation for the importance of the Atal Tinkering Lab (ATL) initiative. Participants were introduced to the goals of ATL — to foster critical thinking, nurture young innovators, and prepare students for the challenges of the 21st century. The energy and enthusiasm in the room set the tone for a day packed with exploration and discovery.

Ink of Revolution, Pages of Pride

On the momentous occasion of Dr. B.R. Ambedkar Jayanti, Mount Abu Public School etched another milestone in its journey of creative excellence and social awareness. In a proud moment of national recognition, Hon'ble Union Minister for Social Justice & Empowerment, Dr. Virendra Kumar, officially launched the school's latest literary marvel — “Dr. BR Ambedkar: Ek Krantikari Yatra”, a compelling graphic novel crafted with immense passion by the young learners and educators of the school.

Held at the Dr. Ambedkar National Memorial, New Delhi, the launch event was further graced by the presence of Hon'ble MP Shri Yogendra Chandolia, adding to the historic significance of the occasion. This is the second prestigious creation by Mount Abu School, following the impactful success of its debut graphic novel, “Ek Bharat Shreshtha Bharat”, released last year. True to its spirit, this new work dives deep into the transformative life of Baba Saheb Dr. B.R. Ambedkar, bringing his revolutionary ideals and indomitable journey to life in a format that resonates with today's youth.

DANCING SOULS

Mount Abu Public School came alive with rhythm, color, and boundless energy as it celebrated International Dance Day with great zeal. The event served as a tribute to the universal language of dance — a form of expression that transcends boundaries and speaks directly to the soul.

Students took the stage with passion and confidence, presenting a mesmerizing array of dance forms that reflected both tradition and modernity. From the elegance of classical Bharatanatyam to the earthy vibrance of Indian folk, and from the fluid grace of contemporary movement to the dynamic beats of western styles, each performance was a celebration of cultural heritage and individual artistry.

What made the event even more enriching was the thoughtful involvement of the teachers, who provided valuable insights into the significance and origin of each dance form. Through these narratives, students were able to understand that dance is not just about movement — it is a vessel for storytelling, history, and emotional expression. They learned how every gesture, rhythm, and step carries meaning and memory from generations past.

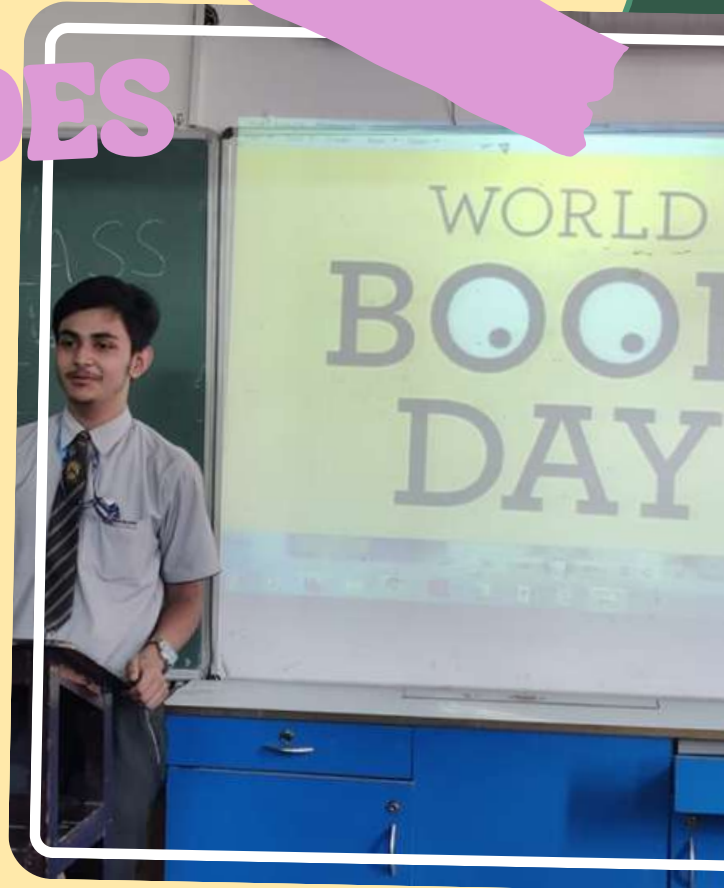

What made the event even more enriching was the thoughtful involvement of the teachers, who provided valuable insights into the significance and origin of each dance form. Through these narratives, students were able to understand that dance is not just about movement — it is a vessel for storytelling, history, and emotional expression. They learned how every gesture, rhythm, and step carries meaning and memory from generations past.

The atmosphere was electric as the school auditorium echoed with applause, music, and laughter. The dancers captivated their audience, showcasing discipline, creativity, and joy. Beyond performance, the day emphasized self-expression, unity through art, and appreciation of cultural diversity — values that are at the heart of holistic education.

VOICES OF

BOOKS, ECHOES OF IDEAS

Mount Abu Public School celebrated Book Week with great enthusiasm and intellectual spirit on 23rd April, commemorating the joy of reading and the power of ideas. As part of the celebration, a stimulating inter-class debate competition was held, aimed at encouraging healthy rivalry, critical thinking, and collaborative participation across the Senior Wing. The event drew participation from various classes, with students engaging in thought-provoking arguments on topics inspired by literature, books, and modern narratives. It was a platform where words became weapons, and perspectives collided in the most respectful and enlightening manner.

SHINING ENTREPRENEURS

On 26th April 2025, our team from Mount Abu Public School participated in the School Enterprise Challenge Event organized at KIIT World School, Gurgaon. The event was divided into two major segments: the Marketplace Selling and the Business Pitching Competition. In the first segment, we set up a vibrant stall to showcase and sell our DIY SkillSwap Kits under our enterprise name SHINE (Skill Hub for Innovation and Network Exchange). With strategic selling techniques, enthusiastic team coordination, and excellent customer engagement, we achieved outstanding sales and were honored with the Best Sales Skill Team Award. The second part involved presenting our detailed business idea to a panel of esteemed judges.

On 26th April 2025, a passionate and enterprising team from Mount Abu Public School participated in the School Enterprise Challenge Event held at KIIT World School, Gurgaon. This dynamic platform offered students a unique opportunity to showcase their entrepreneurial acumen, creativity, and teamwork through two exciting segments: the Marketplace Selling and the Business Pitching Competition.

In the first segment, our students set up a vibrant and engaging stall under their enterprise name SHINE (Skill Hub for Innovation and Network Exchange). Their flagship product, the DIY SkillSwap Kits, was thoughtfully designed to promote hands-on learning and skill-sharing among students.

The team's energy, coordination, and strategic planning were evident in every interaction — from their persuasive selling techniques to their warm customer engagement. The buzz around the stall was unmistakable, drawing attention from students, teachers, and judges alike. The team's energy, coordination, and strategic planning were evident in every interaction — from their persuasive selling techniques to their warm customer engagement. The buzz around the stall was unmistakable, drawing attention from students, teachers, and judges alike. The second phase of the event shifted focus to business strategy and vision. During the Business Pitching Competition, our team confidently presented a detailed overview of SHINE's business model to a panel of experienced judges. Their presentation outlined the problem the enterprise addresses, the target market, product uniqueness, marketing strategy, financial planning, and long-term goals. The clarity of thought, depth of research, and professionalism in delivery reflected the team's strong foundation in entrepreneurial learning.

Celebrating Excellence and Achievement Through Determined Effort and Outstanding Performance

Rachna Jain and Priyanshi Kaushik, talented students of Grade XII at Mount Abu Public School, brought laurels to the institution by securing the 2nd Position in a prestigious inter-school event. Their achievement stands as a reflection of their dedication, confidence, and exceptional skill in a competitive academic setting.

Competing against bright minds from various reputed schools, the duo impressed the judges with their clarity of thought, articulate presentation, and teamwork. Whether it was in-depth preparation or their ability to think on their feet, Rachna and Priyanshi proved themselves as poised, focused, and future-ready learners.

Their success not only added another feather to the school's cap but also inspired their peers to strive for excellence and aim higher.

WORKSHOP ON FINANCIAL LITERACY

In its commitment to preparing students for real-world challenges, Mount Abu Public School recently participated in an insightful Workshop on Financial Literacy, designed to equip young learners with essential money management skills. The workshop aimed to build a foundational understanding of financial concepts among students, empowering them to make informed and responsible decisions in the future.

During the session, students explored a variety of critical topics including saving, budgeting, banking systems, digital payments, investment basics, and the importance of financial planning. The resource persons used real-life examples, interactive activities, and relatable scenarios to explain these concepts in a student-friendly manner.

Leading Minds, Lasting Impressions

A group of students from Mount Abu Public School had the remarkable opportunity to attend Escapade 2025, Asia's largest undergraduate management festival, hosted at the prestigious Shri Ram College of Commerce (SRCC), Delhi. The event served as a melting pot of innovation, leadership, and global vision — offering young learners a rare chance to engage with some of the most inspiring minds in business and thought leadership.

The festival featured an eclectic panel of speakers, each contributing a unique perspective to the landscape of entrepreneurship, education, and social transformation. The sessions were not only insightful but deeply motivating, bridging the gap between academic learning and real-world challenges.

One of the most captivating sessions was delivered by Mr. Shivender Pratap Singh Kanwar, the visionary Founder and CEO of Team Global. He shared his entrepreneurial journey — from idea to international enterprise — offering a behind-the-scenes look at the trials, triumphs, and tenacity required to build a global business. His reflections on leadership, innovation, and market expansion served as a masterclass for aspiring entrepreneurs. Bringing an academic yet practical perspective, Mr. Love Kaushik, a renowned Economics educator at PW (Physics Wallah), engaged students in a thoughtful exploration of current economic trends and their application in the modern business world. His session simplified complex economic principles, helping learners connect theory with real-time market dynamics and decision-making processes.

Adding a powerful social dimension to the event, Mr. Anand Pillai, known for his transformational leadership, spoke about navigating change, empowering communities, and leading with purpose. His words challenged students to think beyond traditional corporate roles and to envision themselves as agents of positive societal impact. He emphasized the strength of collective action and the importance of value-driven leadership, urging learners to redefine success through service and significance. Escapade 2025 wasn't just a festival — it was a celebration of vision, growth, and learning. It inspired Mount Abu students to dream big, think deeper, and pursue excellence with both ambition and empathy. Events like these ignite purpose, broaden horizons, and reinforce the belief that with the right mindset, today's students can become tomorrow's changemakers.

If Earth Found a Voice

In a heartfelt tribute to Earth Day, Mount Abu Public School hosted a powerful Inter-House Monologue Competition on 22nd April 2025 at the Digital Stage Area. Themed "If Earth Could Speak," the event invited students to step into the shoes—or rather, the soul—of our planet and give voice to its silent cries, deep wisdom, and enduring hope.

Learners from all four houses — Gandhi, Nehru, Patel, and Tagore — delivered evocative performances that were as thought-provoking as they were emotionally resonant. Each participant used the stage not only as a platform for dramatic expression but also as a space for advocacy, channeling the Earth's perspective in a way that stirred both hearts and minds.

From the lament of polluted rivers to the defiance of ancient forests, and from the desperate plea of endangered species to the fiery rage of melting glaciers, the monologues painted a vivid portrait of the environmental crises we face today. Students combined creativity, emotion, and awareness to craft narratives that left the audience both inspired and introspective.

The competition was a showcase of dramatic talent, environmental consciousness, and empathetic storytelling. It reminded everyone present that the Earth does not speak in words—but if it could, it would ask us to listen, act, and care.

After a series of gripping performances, Tagore House emerged victorious, earning applause for its standout portrayal and message. But in truth, the real winner was the cause — the Earth, whose silent plea was heard loud and clear.

The event stood as a creative celebration of youth voice and environmental responsibility, affirming that through the arts, students can not only entertain but also enlighten and inspire change.

A DREAM COME TRUE ON THE CRICKETING FIELD

In a moment of pride and excitement for Mount Abu Public School, Prasidh Awasthi, a talented student from Grade 12, had the distinct honor of representing the school at one of the most thrilling events in Indian cricket – the Indian Premier League (IPL) match between Royal Challengers Bengaluru and Delhi Capitals at the iconic Arun Jaitley Stadium.

Prasidh was selected as a ball boy for the match, offering him an up-close, behind-the-scenes experience in the world of professional cricket. Surrounded by the electrifying atmosphere of the stadium, with passionate fans and world-class athletes, Prasidh not only witnessed the high-stakes action but also had the once-in-a-lifetime opportunity to interact with cricketing legends, including the iconic Virat Kohli.

This experience was a testament to the diverse opportunities available to students at Mount Abu Public School, beyond the conventional academic sphere. It showcased how extracurricular activities, exposure to professional fields, and interaction with accomplished figures can inspire students to dream bigger and aim higher. Such experiences encourage them to step outside their comfort zones, broaden their horizons, and set ambitious goals for their futures. The entire school community congratulates Prasidh Awasthi for this exceptional achievement and wishes him continued success in all his future endeavors, both on and off the field.
