FROM THE PRINCIPAL'S DESK

Dear Learners

This month has been a celebration of your spirit, your creativity, and your sense of responsibility.

The Independence Day celebrations filled our hearts with pride, as you honoured our nation's heroes through song, dance, and words that echoed the meaning of true freedom.

Equally heartening was the way you came together in cleanliness and sustainability initiatives. Every thoughtful act—keeping your spaces clean, inspiring others to care for the environment, or joining hands in collective drives—showed that small steps create big change.

The experiential projects were yet another reminder that learning is not confined to books and classrooms. Through inquiry, exploration, and presentations, you proved that curiosity is the real key to knowledge, and confidence is its companion.

And when the journey feels demanding, or success seems distant, remember the timeless lines from Sudha Chandran's poem Do Not Give Up:

When care is pressing you down a bit, Rest if you must, but do not quit.

Success is failure turned inside out, The silver tint of the clouds of doubt.

Let these words be your strength. Every effort you make is a step forward, every challenge you face is a lesson in courage, and every dream you nurture has the power to become reality.

Keep learning, keep striving, and above all, keep believing in yourself.

With warm wishes

Dr. Jyoti Arora

Rally for a Greener Tomorrow

As part of the Vanmahotsav and Independence Day celebrations, students dressed in colourful and thematic attire took out a spirited rally to spread the message of environmental conservation. With placards, slogans, and admirable enthusiasm, they motivated fellow children to plant more and more trees. The event fostered awareness about the importance of greenery and inspired the community to join hands in nurturing our planet. It was a proud moment of self-celebration, as the young changemakers not only advocated for nature but also embodied the values of responsible global citizens.

Young Learners Paint the Vision of a Clean India

In alignment with the Delhi Government's Kude Se-Azadi campaign, a vibrant poster-making activity was organised during the Independence Day celebrations. Students poured their creativity and concern for the environment onto paper, depicting powerful messages of cleanliness, sustainability, and civic responsibility. The activity celebrated the spirit of freedom and inspired young minds to pledge their commitment towards building a cleaner and greener India.

The School Hosts Dr. Rakesh Khatri, the Nest Man of India, for an Inspiring Bird Nest Making Session

The school was honoured to host Dr. Shri Rakesh Khatri, popularly known as the Nest Man of India, for an enriching Bird Nest Making Session. Founder of the Eco Roots Foundation, Dr. Khatri has created over 8,00,000 eco-friendly nests to protect the declining house sparrow population and to inspire environmental action.

In this hands-on workshop, students gained practical knowledge of how to support bird conservation while learning about its crucial role in maintaining ecological balance. Dr. Khatri's impactful work is so influential that his lessons have been included in the curriculum of renowned publishing houses, thereby making his mission an integral part of young learners' education across the country.

The session was a true reflection of the school's commitment to fostering environmental responsibility and nurturing young changemakers who care for nature.

Inter-Class Rangoli Making on Har Ghar Tiranga

As part of the 79th Independence Day celebrations, students enthusiastically created display boards on the theme Har Ghar Tiranga. The boards highlighted the significance of the National Flag and its role in uniting every Indian with a shared spirit of pride and patriotism. Students depicted the journey of the Tricolour, its symbolism, and its importance

in India's freedom struggle through drawings, slogans, and inspiring messages. The vibrant presentations reflected creativity, respect for the nation, and awareness of civic duty. The initiative strengthened students' connection with their cultural roots and reminded them of the responsibility to uphold national values.

Science Meets Art: Exploring Natural Indicators with Creativity

An engaging science-integrated art activity was conducted in Class 7, where learners explored the fascinating concept of natural indicators. Using turmeric as an indicator, students created beautiful artworks that magically changed colour when a base solution (washing powder) was applied. The colours were later erased by adding an acid (lemon juice), making the activity both exciting and educational. This hands-on experiment not only reinforced the scientific concepts of acids, bases, and indicators but also nurtured observation skills, creativity, and curiosity among learners.

Assembly on National Sports Day

The morning assembly on the occasion of National Sports Day was conducted with great enthusiasm by the students of Class VIII-B. The assembly began with the morning prayer. To mark the significance of the day, the students dressed up as renowned athletes and brought alive the spirit of sportsmanship by presenting inspiring thoughts, informative talks and news. Their performances reflected both creativity and admiration for the sporting legends of our country and the world. The highlight of the assembly was a thought-provoking address by Dr. A.K. Srivastava, former Director of Physical Education, DTU, who will be joining us tomorrow as the Guest Speaker. His presence and upcoming session are awaited with great excitement, as it will further enlighten the students on the importance of sports in shaping discipline, teamwork, and character.
