## Message From Principal's Desk

Dear Families

Warm Greetings

What a dynamic and truly impressive September we've shared! I am immensely proud to share the news of our official coffee table book on Sustainability being launched in the capital. This project is far more than an aesthetically beautiful publication; it is a powerful statement about our school's commitment to environmental stewardship and a testament to the focused, real-world impact our students and faculty are driving. This book is a landmark achievement, showcasing how our academic dedication can translate into genuine thought leadership on a global scale. We've demonstrated what's possible when intellectual curiosity meets collective action, and I congratulate everyone who played a part in this magnificent effort.

September also brought our focused academic month, which included important assessments. I want to commend our students for approaching these tasks with diligence and serious intent. It's crucial to remember that these evaluations serve as necessary signposts, providing us with data to measure growth and refine our educational path—they are not final destinations. While performance matters, the true, enduring value of education lies in the learning process itself, which is never ending.

As we move forward into the next semester, let us carry the momentum of this month's successes. Thank you for your continued partnership. I believe wholeheartedly in the extraordinary potential of our community to learn, lead, and inspire one another every single day. Let's keep exploring, growing, and reaching for the next horizon.

### ***The Unending Road***

*Knowledge knocks upon an endless door.  
So look beyond the test and the page,  
The mind is set upon a boundless stage.  
Keep seeking, thinking, challenging the known,  
The seeds of growth are yours, and yours alone.*

**Dr. Jyoti Arora**

## A DECADE OF CAPITAL GAINS: CELEBRATING DELHI'S SDG JOURNEY

To mark 10 years of the UN Sustainable Development Goals, our Learning Community proudly presented the Coffee Table Edition of "A Decade of Capital Gains: Delhi's Journey towards SDGs" to Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta Ji. This wasn't just a book—it was a belief. Our students are not only learners; they are global citizens. Every sapling planted, every bottle recycled, every act of kindness shared, and every global connection made echoes far beyond our city, strengthening a worldwide movement for change.

### A DECADE OF CAPITAL GAINS DELHI'S JOURNEY TOWARDS THE SDGs

AN INITIATIVE BY

**Mount Abu Public School**  
Sector 5, Rohini, New Delhi - 110085

[www.mountabuschools.com](http://www.mountabuschools.com)

On this significant occasion—the 10th anniversary of the Sustainable Development Goals—we, the learners and Global Citizens of Mount Abu Schools, are honored to present this book on a theme that speaks to our future: Delhi's journey towards achieving the SDGs.

As learners, we have grown with an awareness that education is not confined to classrooms—it extends to our responsibilities towards society and the world. As Global Citizens, we see Delhi not just as our city, but as a vital part of a collective mission for a sustainable world. Every step taken here, from metro line easing mobility, a plantation drive breathing life into our community actions that uplift lives—adds strength to the global pursuit of the 2030 vision.

This Coffee Table Book is more than pages bound together—it is our story, our perspective, and our tribute. It celebrates Delhi's progress, acknowledges the journey yet to be traveled, and reflects our youthful hope for a future where sustainability is not an aspiration, but a way of life.

With the creative power of technology and the conviction instilled in our school, we, the young global citizens of Mount Abu, dedicate this effort to our leader, policymaker, and citizen who inspires us to believe that Delhi is part of the world's story of resilience and renewal.

Sincerely,  
Global Citizens of Mount Abu Schools

## FLAVOURS OF INTERGENERATIONAL BONDING & INTERCULTURAL DIALOGUES

Mount Abu School celebrated Maha Saptami with warmth in the presence of Ms. Jill Lai, Director Education, Taipei Economic & Cultural Centre, New Delhi  .

Grandparents of our IB families relived festive memories under the theme "Ageing with Dignity... Bonding with Divinity." Their stories and joy brought alive the true spirit of Durga Puja, while Taiwan as our valued Global Citizenship partner strengthened cultural bridges.

The celebration beautifully reflected
