# NEWSLETTER NOVEMBER 2025

PRIMARY LEVEL

## FROM THE PRINCIPAL'S DESK

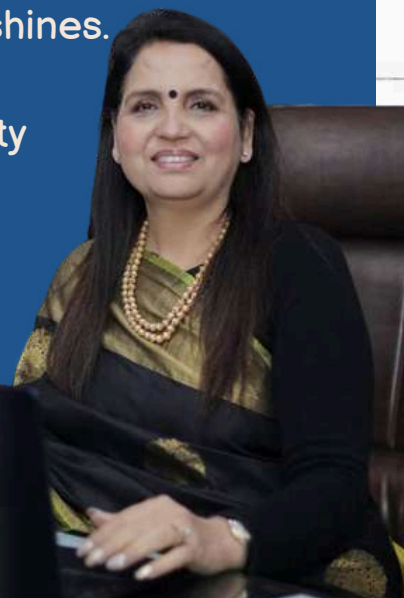

Namaskar Families!

The month of November has been filled with joyful learning, meaningful experiences, and enriching engagements rooted in the IB philosophy of inquiry, exploration, and holistic development. Our young learners continued to grow as thinkers, communicators, risk-takers, and caring individuals, showing curiosity and confidence in every learning space. Classrooms were alive with transdisciplinary exploration, where children connected ideas through hands-on tasks, creative arts, storytelling, numeracy and literacy engagements, and collaborative activities. Each experience strengthened their social, emotional, and cognitive skills—supporting the IB aim of nurturing independent, reflective, and globally aware learners.

STEM-based activities, circle-time discussions and inquiry-led tasks offered opportunities for learners to question, investigate, and reflect—embracing true learner agency. We extend our heartfelt gratitude to all parents for your continued support and collaboration. Together, we strive to create a nurturing environment where every child learns, grows, and shines.

Looking forward to another inspiring month filled with curiosity and joyful discoveries.

Warm Regards  
Principal
